

MSBTE SPONSORED SAP TRAINING PROGRAM REPORT 2018 / 19

R. Solutions Pvt. Ltd.

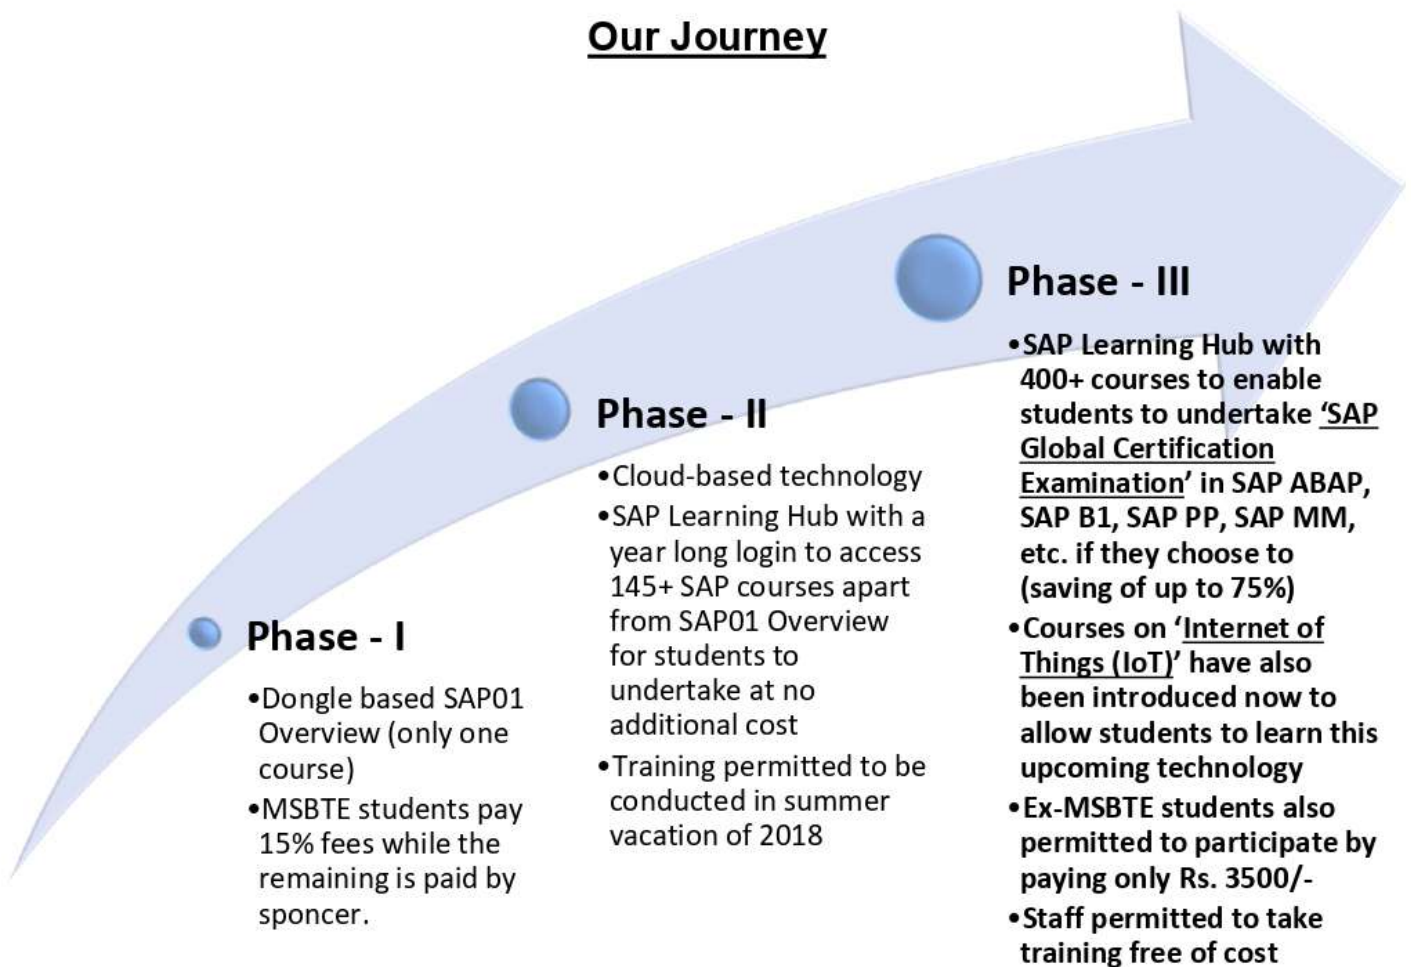

Introduction

We are delighted to bring to you the 2018-19 program report of the MSBTE sponsored SAP Training Program.

Over the past years, we have had a very enlightening journey providing SAP training as well as career guidance to students at different institutes across Maharashtra. It is really pleasing to know the fact that students have benefitted in getting jobs after undergoing this training, something that we all set out to achieve. The growing participation, feedbacks and suggestions received from institutes have only encouraged us to provide better every time.

Right from the 1st year, we have endeavoured to provide the best to the students and have continuously improvised our offerings to offer more adept industry related content to help them prepare for their career.

Our Journey

As always, the success of SAP Training program over the years has to be credited to MSBTE and its institutes along with their staff who have worked relentlessly with the RSPL team to ensure every minute detail for proper conduct of the training program is adhered to. Special mention also needs to be made of the students who have shown the enthusiasm to participate in the trainings to explore a different kind of industry relevant course to enhance their job prospects.
