BHARATI VIDYAPEETH

*B*harati Vidyapeeth, was established in May, 1964 by Dr. Patangrao Kadam with the objective of bringing about intellectual awakening and all round development of the people of our country through education.

Bharati Vidyapeeth is now a leading educational institution in the country, which has created a history by establishing within a short span of 61 years 187 educational institutions imparting education from the pre-primary stage to post graduate stage. Our colleges and institutions of higher education impart education in different disciplines including Medicine, Dentistry, Ayurved, Homoeopathy, Nursing, Arts, Science, Commerce, Engineering, Pharmacy, Management, Social Sciences, Law, Environmental Science, Architecture, Hotel Management and Catering Technology, Physical Education, Computer Science, Library Science, Information Technology, Biotechnology & Agriculture, Performing Arts etc.

These educational institutions which have achieved an acclaimed academic excellence cater to the educational needs of thousands of students coming from different parts of India and also abroad. Our teaching faculty includes highly qualified, experienced, dedicated and student-caring teachers. These educational institutions are located at various places viz. Pune, Navi Mumbai, Kolhapur, Solapur, Sangli, Karad, Panchagani, Jawhar and New Delhi. The spectacular success achieved by Bharati Vidyapeeth is mainly a creation of unusual foresight, exceptionally dynamic leadership and able guidance of the founder Dr. Patangrao Kadam. It has been our constant endeavour to impart high quality education and training to our students and therefore it is no wonder that our institutions have become nationally known for their academic excellence. In recognition of the academic merit achieved by its institutions and potential for development which they have, the Department of Human Resource Development, Government of India and the University Grants Commission of India have accorded the status of a deemed to be university to Bharati Vidyapeeth with its thirty two constituent units.

BHARATI VIDYAPEETH'S (DEEMED TO BE UNIVERSITY)

Reaccredited with 'A' Grade by NAAC

It had been a long standing dream of our founder to get the status of a University to Bharati Vidyapeeth. That dream was realized when the Ministry of Human Resource Development (Department of Education, Government of India) on the recommendations of the University Grants Commission, New Delhi through their notification No. F.9-15/95-U.3 dated 26th April, 1996 declared a cluster of institutions of Bharati Vidyapeeth at Pune as Deemed to be University.

Present Constituent Colleges of the University

1. Medical College, Pune

BHARATI VIDYAPEETH'S
JAWAHARLAL NEHRU INSTITUTE OF TECHNOLOGY (POLY), PUNE-411 043
Recognized by Government of Maharashtra (DTE)
Approved by the AICTE, New Delhi
Affiliated to Maharashtra State Board of Technical Education (MSBTE), Mumbai.

The Institute was established in 1983, by Hon. Dr. Patangrao Kadam, under permission from Government of Maharashtra with a mission ' Social Transformation Through Dynamic Education.

Started with four branches in 1983, today the Institute is conducting six diploma courses of Maharashtra State Board of Technical Education (MSBTE), Mumbai. This is a leading polytechnic in Maharashtra having an intake capacity of 420 students for first year.

Salient Features:

- 1) Experienced and well qualified faculty.
- 2) Consistently good academic results.
- 3) The Institute has an active student's chapter of Indian Society for Technical Education, Institute of Engineers India.
- 4) All laboratories have modern equipment to provide hands on experience to students.
- 5) Consistent award winners at various project exhibitions and paper presentation competitions at State & National level.
- 6) Consistent prize winners in sports at Zonal & State level competitions organized by IDSSA.
- 7) Student's welfare and co-curricular activities through students associations in all disciplines viz. MESA, CHESA, CESA, ASCII, EESA etc.
- 8) Placement cell - campus interviews conducted for placement in many prestigious industrial organizations, 100 % placement assistance for all desirous students.
- 9) First Polytechnic in India to organize State Level and National Technical Paper Presentation Competition- "Techno-Innova", Inter Polytechnic Group Dance Competition "Bharati Karandak" and First organizers of Inter Polytechnic Competitions for 'C ' Programming - 'C' Challenge, for 'Java ' Programming - 'Java' Challenge, CAD Competition – 'Tantragya', Structural Model Competition – 'Vishwakarma', Robot path tracing competition – 'Robonova' and Technical Quiz. Bhruja Patra a Poster Presentaiton Competition and State level one act play competition for polytechnic students - "Bharati Natya Karandak".
- 10) Strong Alumni Association spread all over the world- Many students are studying in different universities in United States of America, England, Australia, Germany, Canada after completion of our courses.
- 11) Training Centre for Industrial employees.

OUR INFRASTRUCTURE

CIVIL ENGINEERING DEPARTMENT

Civil Engineering is one of the oldest and basic branch of engineering. Department of Civil Engineering carries on, this heritage with focus on latest technology. The department aims to ensure that its students cruise smoothly in changing trends.

The department has fully equipped laboratories and experienced faculty. The teaching staff is also involved in testing and consultancy work. Consultancy services for material testing and structural design are offered.

The department laboratories include those of Hydraulic, Material Testing, Environmental Engineering, Surveying, Material Testing, Geotechnical Engineering and Model Room. The students organization Civil Engineering Students Association (CESA) organizes various co-curricular & extra-curricular activities like site visits, seminars and guest lectures during the academic sessions.

The department also encourage students to participate in social awareness programmes, technical paper presentations, poster presentations competition, seminars, sports activities. Also encourage students to participate in structural model making competition "Vishwakarma".

CHEMICAL ENGINEERING DEPARTMENT

The Department of Chemical Engineering has well equipped laboratories and experienced faculty. We provide computing facility to the students along with departmental library.

Modern equipment setups enable the students to carry out experiments in subjects like Heat Transfer, Fluid Mechanics, Instrumentation, Process Control and Mass Transfer etc. The department makes arrangements for industrial visits and training. The department has formed Chemical Engineering Students Association (CHESA) to provide platform for industry institute interaction, interaction of students with alumni, various students activities and personality development programs. Department encourages and guide students to participate in technical activities like DIPEX, Techno-Innova, various co-curricular activities, sports.

OUR INFRASTRUCTURE

COMPUTER TECHNOLOGY DEPARTMENT

The Computer Technology Department was established in 1985. The department has very well equipped & furnished laboratories. The students are trained on Latest Branded Computers having latest softwares. The internet laboratory is open for all the students even after the normal working hours. Separate reference & book bank for students is available. The department has very good liaison with the business organizations. These organizations sponsor the project work of students so that the students work on real life application projects. The students association ASCII in the department is very active. The various co- curricular activities such as Group Discussion, Guest Lectures, Seminars etc, ore organized by ASCII, Students are motivated for participation in Paper Presentation Competitions, Project Exhibitions & Cultural activities where they have won several prizes.

ELECTRICAL ENGINEERING DEPARTMENT

Department of Electrical Engineering was established in the year 1987. The department was accredited in 2019 by NBA. The spacious infrastructure, well equipped laboratories, meritorious students and academically qualified and enthusiastic faculty members are the salient features of the Department.

The department has Electrical Engineering Students' Association (EESA). EESA organizes Guest lectures, Industrial visits, seminars, workshops and competitions. The department has active MOU's with established industries and organization (like MSEDCL). Experts from various fields are regularly invited to share their knowledge in the department.

Electrical Engineering Department has been selected as a Project Institute for Lab Manual development by MSBTE. During academic year 2023-24 and year 2024-25 Electrical Department had developed the Lab Manuals for various courses of Electrical Engineering.

OUR INFRASTRUCTURE

HUMANITIES AND SCIENCE DEPARTMENT

The Humanities and Science department comprises of four major subjects pertaining to first year : English, Communication Skills, Mathematics, Physics & Chemistry. The Physics, Chemistry and Language laboratories are well equipped with modern equipment's.

The department has an experienced team of staff members. Two staff members has been awarded Doctorate (Ph.D.). The department encourages students to participate in Social Awareness programs, sports activities, Art Circle, Techno Innova & Elocution Competition.

MECHANICAL ENGINEERING DEPARTMENT

Mechanical Engineering is the most popular course where students learn about manufacturing processes, Machines, Mechanisms, Engines, Automobiles, Refrigeration & Air-conditioning. All industries and Government departments need mechanical engineers for manufacturing operations, maintenance of equipment, planning, designing etc.

The department has highly qualified and experienced team of staff members. It has well equipped laboratories like Metrology and Quality Control, Thermal Engineering, Theory of Machines, Hydraulics & Pneumatics. A students organization MESA is active in the department to keep the students informed about current trends in technology and organizing extracurricular activities.

ELECTRONICS & TELE- COMMUNICATIONS DEPARTMENT

Electronics has been most crucial factor for development in the world. It has been seen for every other function in day to day life. The Electronics and Tele-communication branch involves study of Control Systems & Power Electronics, Microprocessor, Microcontrollers, VLSI, Embedded Systems, PLC and Communication Systems. Electronics & Tele-communication is very popular course, students are placed in electronics, mobile communication, VLSI, instrumentation, control panels, Computer maintenance and networking, Production, Testing, Marketing in various industries, Government organizations, Defence, BSNL, MSER and railway.

The department has well equipped laboratories and qualified and experienced faculties. The staff members are always interested to inculcate technical creativity in the students along with theoretical knowledge. The department organizes various activities like Seminars, Industrial Visits, Project Exhibitions, Sports Activities.

The department has students organization – ESA, which organizes various functions, extracurricular and cultural activities. The department has Basic Electronics, Digital Electronics, Measurement & Control, Communication Engineering and Computer laboratories.

The Maharashtra State Board of Technical Education has appointed the faculties of the department as Subject Experts, Editors and Coordinator for design of Syllabus and Laboratory Manuals for MSBTE.
